The Duchesne/Wasatch County Bluebench Landfill is jointly owned by Duchesne and Wasatch Counties. Duchesne County Solid Waste Department manages the landfill. The funds generated from the landfill are distributed between Duchesne County Solid Waste Department and the Duchesne/Wasatch Bluebench Landfill. There are approximately 538 customers that support the Landfill. They consist of Duchesne County General public, businesses, K&K Sanitation, and Wasatch County customers. We charge \$20.00 per ton tippage fee with a

minimum of \$5.00 for tippage weight under 500 lbs. These funds are used solely to support the landfill operation. Please [click here](#) for our current tonnage rates.

Our operating equipment consisting of, bull dozers, loaders, graders, and scrapers. We have three heavy duty equipment operators, and one scale clerk.
